Orlin & Nancy Herrild Veterinary Medicine Scholarship Fund

A collaboration with the
 M&M Area Community Foundation
 to help **YOU** support local
 veterinary medical students.

Help Us Help Others -

The fund was established in 2017, by Kim and Janice Herrild to honor his parents, Orlin and Nancy. Kim and Janice believe that Orlin, with the help of his wife Nancy, brought high quality modern Veterinary medicine to this area. Orlin was the first person in his family to attend college and attain an advanced degree. Orlin and Nancy worked together while he was in college and side by side as they built their veterinary practice. In 1975, Orlin made the decision to focus on small animal medicine and surgery and in 1982 Town & Country Veterinary Clinic became the first AAHA accredited hospital in this area.

In order to continue the advancement of quality Veterinary care, and the desire to help a local student, Kim and Janice began the Orlin and Nancy Herrild Veterinary Scholarship fund. This fund was created to help a 2nd or 3rd year Veterinary student, who has graduated from an accredited High School while a resident of Marinette or Menominee Counties. The student must be attending Michigan State University, University of Wisconsin or University of Minnesota College of Veterinary Medicine.

Knowing the rising cost of a Veterinary education your support of this fund would help provide additional resources to a local veterinary student.

Help us continue Orlin and Nancy's legacy!

*Together we can make
great things happen!*
