M&M AREA COMMUNITY FOUNDATION THANKS SMALL BUSINESSES

For Immediate Release
Monday, May 14, 2018

MENOMINEE, MI – In honor of May being National Small Business Month, the M&M Area Community Foundation would like to acknowledge some of the many small businesses that support the Foundation through their sponsorship and continued support.

“The Foundation knows first-hand the impact small businesses have on our communities. Without their support via sponsorship and other programs such as the ‘Round Up, Step Up’ program offered by Plaza Ace Hardware in Menominee, we would not be able to award grants and scholarships throughout Marinette and Menominee Counties,” stated Paula Gruszynski, MMACF Executive Director.

The Community Foundation’s Board of Directors and staff would like to thank the following small businesses for their financial support: Boyle Design Group, 4L Consulting, Ken Jones CPA, Hanson-Onion-Martell Funeral Home, Plutchak Fab, Marinette Farm and Garden, Evergreen Tool, Harbors Retirement Community, Jack’s Fresh Market, Tony Furton Agency, Culver’s, Little River Country Club, Advanced Blending Solutions, Edward Jones – Marinette, Menominee, Peshtigo, EagleHerald, Peshtigo Times, Office Planning Group, Ameriprise Financial – Mark Rasner, Menominee Granite Company, Plaza Ace Hardware and Stellar Enterprise.

For more information on how your business can partner with the Community Foundation, please contact MMACF Executive Director, Paula Gruszynski at 906-864-3599.
