M&M AREA COMMUNITY FOUNDATION RECEIVES YEAR END CONTRIBUTION

For Immediate Release
Wednesday, December 19, 2018

Menominee, MI – The M&M Area Community Foundation (MMACF) received a year end contribution from The Stephenson National Bank & Trust (SNBT) in recognition of its commitment to our communities. The \$5,000 contribution will be added to the recently established “Future Fund” at the Community Foundation.

SNBT proudly presented monetary donations to 48 non-profit organizations from Marinette, Menominee and Oconto Counties at its annual Contribution Reception. The event, held annually, helps SNBT celebrate the tireless service of local organizations, and allows the bank an opportunity to share their gratitude.

“We want these organizations to know that their efforts do not go unnoticed,” said Dan Peterson, President and CEO of SNBT. “We are proud to be able to provide this small token of our appreciation, which pales in comparison to the service they provide to the community.”

The Stephenson National Bank & Trust is a 144-year old independent community bank with over \$1 billion in Bank, Mortgage, and Trust & Investment assets under management. Offices are located in Marinette, Wausaukee, Crivitz, Pembine, and Oconto, WI and Menominee, MI with a Trust & Investment Office in Marquette, MI.
