M&M AREA COMMUNITY FOUNDATION WANTS TO GIVE YOU MONEY!

For Immediate Release
Monday, February 25, 2019

Menominee, MI – The M&M Area Community Foundation (MMACF) thrives on making education more accessible for our community’s youth. In 2018, the MMACF awarded over 75 scholarships totaling nearly \$130,000. This year’s scholarships rival last year’s, and are now available for high school, college and non-traditional students throughout Marinette and Menominee Counties.

How to Apply

Students may apply for scholarships via the MMACF website at mmacf.org/scholarships, March 1st – 28th. Information on additional scholarships is available through each school’s student services office.

Thank You Donors

This year, several new scholarships are available thanks to the generosity of community members who established endowed funds at the Community Foundation.

“Community enrichment can’t happen without its members stepping up for our young people. The donors, sponsors, and volunteers who contribute to our scholarship funds are positively impacting our twin counties for years to come. We can’t thank them enough.” Barb Peterson, Scholarship Committee Chair.

Individuals interested in investing in our future by creating a fund at the M&M Area Community Foundation should contact Executive Director, Paula Gruszynski, at 906-864-3599.
