## **HIGLEY AND LAMBRECHT SCHOLARSHIPS AVAILABLE**

For Immediate Release  
Sunday, March 3, 2019

Menominee, MI – Non-traditional students are the focus of two scholarships offered by the M&M Area Community Foundation. The Sara Murray Lambrecht Scholarship for Promising Young Women was established in 2005 by Laura Cunningham and Mari Hoskins, Sara’s daughters. Women, aged 30 or younger attending or planning to attend a four-year college or university are encouraged to apply.

The second scholarship was established by the sons of Hugh and Mary Higley to support non-traditional students from across Marinette and Menominee Counties. Financial need is a principal criterion for the Hugh and Mary Higley Non-Traditional Scholarship. The award must be used for tuition at a two-year or four-year higher education institution.

“Sara Murray Lambrecht has a special place in the hearts of those associated with the Community Foundation. She served as our first Executive Director and was highly respected in the community”, said Paula Gruszynski, current Executive Director. “We are privileged to hold the Lambrecht Scholarship and, to honor the memory of Hugh and Mary Higley and their wish to support those who choose to pursue a higher education later in life.”

More information on these scholarships, including applications, may be found on the MMACF website at [mmacf.org/scholarships](http://mmacf.org/scholarships). Applications are available March 1<sup>st</sup> – 28<sup>th</sup>. Students in high schools throughout Marinette and Menominee Counties must apply through their high school Guidance Department.
