M&M AREA COMMUNITY FOUNDATION DESIGNATES APRIL SPONSORSHIP MONTH

For Immediate Release
Monday, April 1, 2019

The M&M Area Community Foundation (MMACF) proudly designates April as Sponsorship Month.

“While it’s our year-long objective, throughout the month of April we specifically recognize and thank the donors and volunteers who give of their time and resources to ensure the Foundation meets its mission of service to our communities,” said Paula Gruszynski, MMACF Executive Director. “I am reminded every day that the success of this organization is due to the generosity of our community. Private donors, volunteers, business and industry, all enable us to be an effective and impactful community foundation.”

Over the past 25 years the MMACF has expanded its impact beyond grant-making and providing scholarships to become more engaged in leadership, ensuring the vitality of communities throughout the two-county area. The notable recent examples are the Foundation’s Clean Energy Initiative and its Future Fund which will provide all 2019 – 2020 kindergarten students in both counties with a \$50 children’s savings account. Every kindergarten class going forward will receive this same \$50 benefit from the Community Foundation.

Sponsorships range from \$500 to \$10,000 and provide operational support and benefit events such as the MMACF Grant Presentation and Scholarship Recognition Night. Benefits to Sponsors include recognition at Foundation events as well as press announcements and social media acknowledgement. Please consider allocating a portion of your business’s philanthropic budget toward MMACF Sponsorship and watch your giving multiply through the Foundation’s resources and networks!

Local businesses and individuals may arrange a Sponsorship by contacting Paula at 906-864-3599.
