

THANK YOU TO THE M&M AREA COMMUNITY FOUNDATION

For Immediate Release

April 22, 2019

Pembine, WI – The Beecher-Dunbar-Pembine School District is extremely grateful for the \$3,500 grant which was received from the M&M Area Community Foundation through the Foundation's Clean Energy Initiative. The Community Foundation applied for and received a grant from the C.S. Mott Foundation for this outreach.

The grant funds were used by the Beecher-Dunbar-Pembine School District to update lighting in the multipurpose room, which is used by students of all ages for various activities during the school day and after school. Twenty fixtures have been replaced with new LED panels. Along with better lighting in this area, the district will receive \$250 in Focus on Energy Rebates. A big thank you goes out to the M&M Area Community Foundation's Clean Energy Team for their assistance with the grant.
