For Immediate Release
Monday, May 20, 2019

MENOMINEE, MI – In honor of National Small Business Month, the M&M Area Community Foundation (MMACF) would like to acknowledge some of the many small businesses that support the Foundation.

“We know first-hand the positive impact small businesses have on our communities. Without their support via sponsorship and other programs such as the ‘Round Up, Step Up’ program offered by Plaza Ace Hardware in Menominee, we would not be able to award grants and scholarships and continue our outreach throughout Marinette and Menominee Counties,” stated Paula Gruszynski, MMACF Executive Director.

The Community Foundation’s Board of Directors and staff would like to thank the following small businesses for their financial support: PCM Credit Union, Boyle Design Group, Ken Jones CPA, 1st National Bank & Trust, Hanson-Onion-Martell Funeral Home, Plutchak Fab, Marinette Farm and Garden, Evergreen Tool, Nicolet National Bank, Harbors Retirement Community, Northern Coatings & Chemical, Tony Furton Agency, Culver’s, Little River Country Club, Advanced Blending Solutions, Edward Jones (Marinette, Menominee and Peshtigo), Peshtigo Times, Ameriprise Financial – Mark Rasner, Menominee Granite Company, Plaza Ace Hardware, UP Engineers and Architects, JD 1st Real Estate, Papa Murphy’s Marinette, Miller’s Action Office Supply and Jack’s Fresh Market.
