How do *you*
want to
be *remembered?*

The M&M Area Community Foundation is a nonprofit organization created by and for the people of Marinette and Menominee Counties. We are a full-service philanthropic organization leading the way to positive change in our area. As a permanent community endowment, built by contributions from hundreds of individuals, businesses and organizations, the funds held at the Community Foundation support a wide variety of programs and activities. By establishing an endowment or adding to an existing, you will make a difference in our communities during your lifetime and beyond.

Our Mission

Inspiring people to provide lasting legacies that enrich our communities.

What is an Endowment?

Endowments are designed to keep the principal amount intact while using a portion of the investment income for charitable purposes.

Earnings from endowments are used to make grants or award scholarships to honor donor's wishes and address community needs.

By establishing an endowment or by adding to an existing Fund, you will make a difference in our communities during your lifetime and beyond. This helps do good work from the moment you give, and into the future. As the fund grows, so will the portion available annually for charitable purposes.

Community Leadership

- We are a community leader, coordinating collaborative resources to create positive change.
- We have an in-depth understanding of the issues, opportunities and resources that shape our community.
- By awarding grants and scholarships, we invest in the long-term success of organizations and bring people together to address local issues and opportunities.
- Our business is in building community and helping the places we call home continue to flourish and grow.

How It Works

Everyone wins when
you make a *gift!*

- Individuals, families and businesses make gifts to existing funds or establish new funds at the Community Foundation. Gifts come in all shapes and sizes. In most cases, your gift qualifies for maximum tax advantages under federal law.
- We accept a wide variety of assets and can facilitate even the most complex forms of giving. If at any time you have a question, or would like to explore ways to maximize your impact and tax benefits of a particular giving option, our professional staff is here to help.
- All gifts are invested for long-term growth.
- A portion of the growth is available each year for grants or scholarships to nonprofit organizations and to support collaborative leadership activities to find solutions to challenges in our communities.
- We provide highly personalized service tailored to each individual's charitable and financial interests.
